1 MR. JOE RADERMATHER: Joe Radermather,  
2 J-O-E, R-A-D-E-R-M-A-T-H-E-R.

3 It seems to me like some people ought  
4 to really think about what they're saying. They had  
5 to get here somehow. They had to use oil to get  
6 here. It doesn't matter if you use an electric  
7 vehicle or what you use, you still got to use oil.  
8 If you don't have the oil you're going to go hungry.

9 And they ought to give a little bit of  
10 thought to that before they start protesting some of  
11 these things. Pipelines are a much safer way than  
12 by running it by rail or other methods.

13 That gets to the point. I would  
14 say -- I'm going to say what I think. They're nuts.
